SUBJECT: Just Energy Illinois Corp. d/b/a U.S. Energy Savings Corp.
d/b/a Just Energy ("Petitioner")

Petition for Emergency Relief to Protect Portions of Report
of Continued Compliance as an Alternative Gas Supplier.

RECOMMENDATION: Entry of the attached Order Granting the Petition.

Petitioner filed an amended petition seeking an order protecting, from disclosure, certain information in the annual dekatherm report submitted as part of its annual AGS compliance filing for 2009.

As an Alternative Gas Supplier ("AGS"), Petitioner is required to file, pursuant to Section 551.170 of 83 Ill. Adm. Code 551, a report "stating the total annual dekatherms delivered and sold to residential and small commercial customers within each utility service territory in the preceding calendar year and the total revenues associated with the sale of natural gas to residential and small commercial customers within each utility service territory in the preceding calendar year."

Petitioner explained why disclosure of the information could cause competitive harm within the meaning of the exemption in Section 7(g) of the Freedom of Information Act, 5 ILCS 140/1 et seq.

The attached order would grant the requested proprietary treatment for a period of two years.
